The District was established as part of a “Multiple District Structure” for Fisher Farm community located in the Town of Timnath, Larimer County, Colorado and is generally described as a tract of land generally located in the South West corner of CR5 and CR42 east. Along with its companion Districts No. 1 (“Service District”) and No. 2 and No. 3 (“Financing Districts”) this Financing District was organized to provide financing for the design, acquisition, construction and installation of public improvements, facilities and services. The public improvements to be provided by the Districts are proposed to include the types of facilities and improvements for a non-potable water system, streets and roadways, street landscaping, signage, monuments, and lighting, safety protection, park and recreation, sanitation and storm drainage, water improvements and other related improvements and their operation and maintenance.
